Regarding the product with the above mentioned brand name we can inform you that:

- It is legally manufactured for DSM Food Specialties in The Netherlands following production requirements and sanitary measures which comply with the hygiene regulations laid down by the European Union and is regularly controlled by the Officials of the Dutch authorities.
- It is suitable for use in the food industry.
- It complies with the specifications laid down by the Joint Expert Committee on Food Additives (JECFA) of the FAO/WHO and EU Regulation 231/2012 on the purity of food additives.
- It will not, if properly applied, transfer constituents to the end product in quantities which will endanger human health. Local legislation should be consulted before use of product.
- It is free for sale.

Although diligent care has been used to ensure that the information provided herein is accurate, nothing contained herein can be construed to imply any representation or warranty for which we assume legal responsibility, including without limitation any warranties as to the accuracy, currency or completeness of this information or of non-infringement of third party intellectual property rights. The content of this document is subject to change without further notice. This document is non-controlled and will not be automatically replaced when changed. Please contact us for the latest version of this document or for further information. Since the user's product formulations, specific use applications and conditions of use are beyond our control, we make no warranty or representation regarding the results which may be obtained by the user. It shall be the responsibility of the user to determine the suitability of our products for the user's specific purposes and the legal status for the user's intended use of our products.
