

Enzyme for fast, efficient grape must clarification

Rapidase® Clear decreases viscosity allowing for more compact lees and a clearer must.

Rapidase® Clear

Is a liquid and micro-granulated pectolytic enzyme preparation that naturally contains negligible levels of *Cinnamyl esterase* (nFCE) in order to preserve aroma freshness whichever your yeast choice might be.

Rapidase Clear enables also to reduce the Eco or Carbon footprint of the winemaking process thanks to energy savings.

Instructions for use and dosage

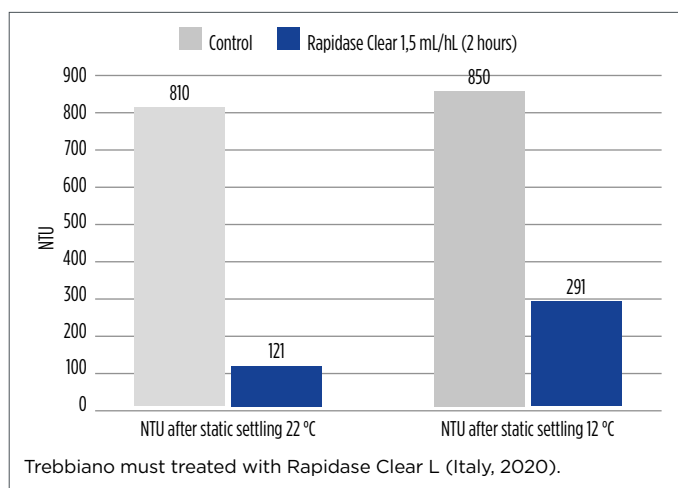

- Add as early as possible at the crusher, in the press or in the must after pressing.
- Dilute 10 times prior to addition.
- Time necessary for a negative pectin test will determine sufficient contact time. **Rapidase pectin test** protocol is available below.

MUST CLARIFICATION		
T°	DOSE	COMMENTS
Above 13 °C	1-1,5 g/hL (mL/hL)	For settling time under 6 hours at temperatures above 10 °C: 2 to 2,5 g/hL (mL/hL)
When 10-12 °C	1,5-2 g/hL (mL/hL)	

- For difficult to settle must or temperature below 10 °C choose **Rapidase Clear Extreme**.
- For clarification of red must with a thermo treatment choose **Rapidase Thermoflash**.
- Active from 10 to 45 °C (50 to 122 °F). The activity increases with temperature.
- Active within the wine pH range and in the presence of normal concentrations of SO₂.
- Eliminated by bentonite and charcoal.

Tested and validated

To offer the best efficiency in application each **Rapidase** formulation is developed and **tested** with the world's most renowned wine research institutes and **validated** in wineries at production scale. Our technical and sales staff is available to provide you with test results as well as assist you in evaluating the products premium performances in your specific conditions.

Packaging and storage

- **Rapidase Clear L** is available in 20 Kg and 1 Kg plastic drums:
 - store refrigerated at 4 to 8 °C (40 to 45 °F).
- **Rapidase Clear MG** is available in 100g and 1kg jars:
 - store in a dry cool place between 5 and 15 °C (41 to 59 °F)
 - once opened, the product can still be used within its best before date.

Peace of Mind comes with dsm-firmenich enzymes

dsm-firmenich enjoys the longest history in producing winemaking enzymes and commits to its reliability through its Quality for life™ program. This commitment assures you that any dsm-firmenich ingredients you are buying is safe in terms of quality, reliability, reproducibility and traceability but also is manufactured in a safe and sustainable way.
